Operation Honor Roll To Identify Bernards Twp. Armed Services Active Duty & Veterans

Mr. Local History's "Operation Armed Services Honor Roll" for Active Service and Veterans

Celebrate America's 250th anniversary by honoring all residents of Bernards Township who have served in the military.

We're seeking volunteers to undertake this ambitious endeavor.

Background

During World War II, an effort was made to honor local service members with three honor roll boards. These billboards were built and anchored at the centers of Basking Ridge, Liberty Corner, and Bernardsville, maintained by the townships with the support of the Somerset Hills Military Service Committee. They were later relocated to the Municipal Complexes, where they fell into disrepair and were removed around 2005.

We believe this new effort to digitize and recognize all local service members is a noble one and look forward to collaborating with Bernards Township, military organizations, the Washington, D.C. federal organizations, and

others, alongside an all-volunteer group spearheaded by Brooks Betz from Mr. Local History Project, to compile the most comprehensive list of military active service and veterans ever created for Bernards Township. Why have we volunteered? The Mr. Local History Project is based in Basking Ridge, and we wanted to do something to honor America and Bernards Township for our 250th anniversary.

Operation Honor Roll To Identify Bernards Twp. Armed Services Active Duty & Veterans

The criteria for the list were coordinated by the Somerset Hills Military Committee in Bernards Township, and names were assembled and reviewed on a “best efforts” basis. If you lived in or near the township, you would submit the name to the committee, which considered the submission to the honor roll. Nonetheless, the wooden list was lost to time as the foundations rotted and had to be removed from the Town Hall grounds. We worked with the Township Officials to transcribe those physical honor rolls, providing us with a foundation to build upon. Now it’s time to get to work. We hope that a few residents will help support this effort

NEXT STEPS:

Public Input: Gathering Our Bernards Township Armed Services Expanded Honor Roll of Names

We need residents from Bernards Township to help validate the Spelling of Veterans and other information, based on the original 1943 Honor Roll and what the criteria were for compiling it. Then, at the same time, we have to locate all the veterans since this honor roll was created. We have already identified Revolutionary War soldiers and World War I members and added them to the Bernards 250 Armed Services Honor Roll.
